

The Westchester Entrepreneurship Initiative

Learn to **Own Your Future**

www.sunywcc.edu/wei

“Owning my own business has been one of the most difficult and most rewarding things that I have ever done. The Westchester Entrepreneurship Initiative is a great opportunity for people who are thinking about starting a business to get a leg up.”

—Mark LePage
Fivecat Studio / Residential Architecture
Business owner since 1999.

Section 1: April 8, 2010– July 15, 2010
Section 2: July 22, 2010– October 21, 2010

Westchester Community College, in cooperation with the Women’s Enterprise Development Center, the Small Business Development Center, SCORE and the One Stop Employment Center, are pleased to announce a fully subsidized program for **dislocated workers** that will introduce them to the benefits of owning and running a small business.*

The purpose of this program is to equip would-be business owners with the fundamentals of business ownership, including accounting, marketing and sales. This program also will feature guest speakers who have started their own businesses. It also will introduce participants to funding sources from micro-lenders and banks.

Application instructions can be found at: www.sunywcc.edu/wei. Please fill out the questionnaire and email it to entrepreneurship@sunywcc.edu. Our counselors will review your eligibility and contact you.

For more information, please call 914-606-6598.

*Displaced workers that open their own businesses may lose their eligibility to receive unemployment benefits.
